

HYD-T21-40W 6K Single head

Tri-Proof

Description

This three-proof lamp features an advanced triple protection design, effectively providing waterproof, dust proof, and corrosion-resistant capabilities. It also exhibits excellent shock absorption and impact resistance. The lamp incorporates high-efficiency LED chips, delivering outstanding luminous efficacy exceeding 100 lm/W, which contributes to its superior energy efficiency and performance. The high-protection-level structure has been rigorously tested and optimized to ensure reliable protection of internal components. Furthermore, the integration of an efficient LED light source significantly enhances the overall functionality and reliability of the luminaire.

Product Specification

Power	40 W
Luminaire luminous flux	5240 lm
Efficiency	131 lm/w
CCT	6000 k
CRI	≥80
Beam Angle	120°
Working temperature	-10 to + 45 °C
Life span	50,000 h
IP	65
Dimension	W80 x L1200 x H72

Technical Features

Materials	Housing-grey-PC
Surface Material	Diffuser cover-Translucent color-PC
Installation way	Surface
Adjustability	Not Adjustable

Applications

factory, Warehouses, Parking lots, loading areas, Gymnasium, Outdoor porch

Electrical Features

Light source	LM80 SMD Module - SMD
Powered By	HYUNDAI

Scene Application

IES Features
